RE: student loan stimulus forgiveness

We tried to contact you at your home [] and did not hear back. It looks like your student loan may be eligible for the recent stimulus forgiveness and relief legislation (Cares Act) , however your application does need to be completed by September 30th of 2021 as that is when the Cares act is set to end.

This applies to all loan statuses including those loans in default and garnishment. If you could please give your dedicated eligibility line a call at: 888-389-1375 , we can have this applied immediately. Please be aware that these benefits come on a first come first serve basis though. Please make sure to provide your personal validation code #31694. Our office hours are 8am-5pm (PST) Monday-Friday.

Thank You,
